

OUTPUT

Before entering category and amount :

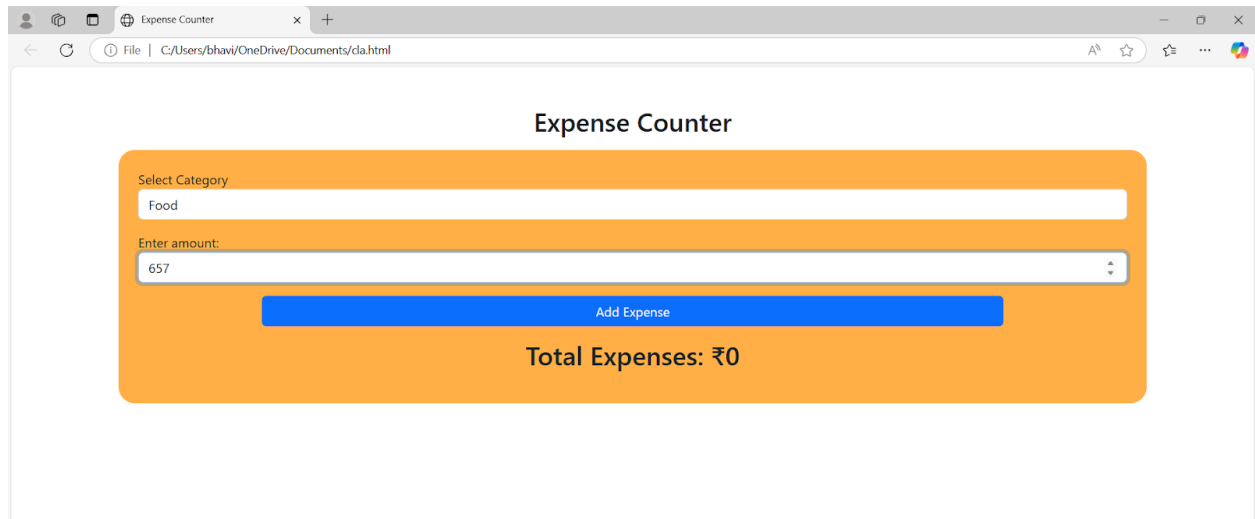

A screenshot of a web browser displaying an "Expense Counter" application. The browser's address bar shows the file path "C:/Users/bhavi/OneDrive/Documents/cla.html". The application has a title "Expense Counter" and a large orange container with rounded corners. Inside this container, there is a label "Select Category" above a dropdown menu showing "---Select---". Below this is a label "Enter amount:" above a text input field. A blue button labeled "Add Expense" is positioned below the input field. At the bottom of the orange container, it displays "Total Expenses: ₹0".

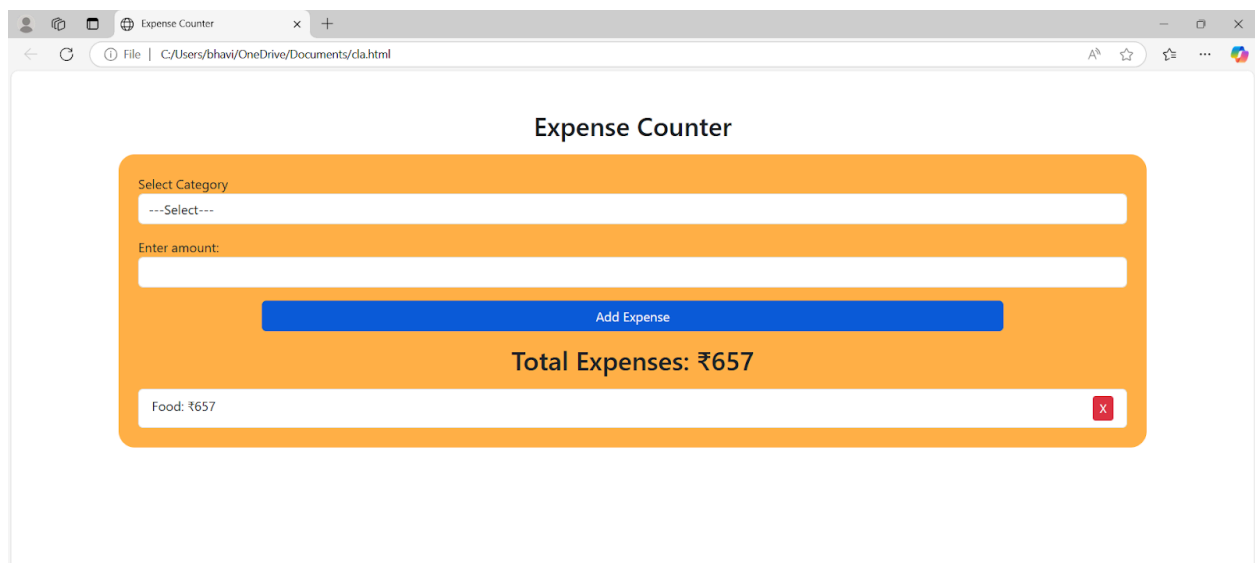

A screenshot of the same "Expense Counter" web application, but with the "Select Category" dropdown menu open. The dropdown list shows the following options: "Food", "Transport", "Entertainment", "Shopping", and "Others". The "Enter amount:" input field and the "Add Expense" button are still visible below the dropdown. The "Total Expenses: ₹0" text remains at the bottom of the orange container.

After entering :

A screenshot of a web browser displaying an "Expense Counter" form. The browser's address bar shows the file path "C:/Users/bhavi/OneDrive/Documents/da.html". The form has an orange background and contains the following elements: a "Select Category" dropdown menu with "Food" selected; an "Enter amount:" text input field containing the value "657"; a blue "Add Expense" button; and a "Total Expenses: ₹0" label at the bottom.

After clicking button:

A screenshot of the same "Expense Counter" form after the "Add Expense" button has been clicked. The browser window remains the same. The form now shows: the "Select Category" dropdown menu with a placeholder "---Select---"; an empty "Enter amount:" text input field; the blue "Add Expense" button; the "Total Expenses: ₹657" label; and a new list item at the bottom that reads "Food: ₹657" with a red "X" icon to its right, indicating it can be removed.
